37+ STATE

CONCEALED CARRY FIREARM PERMIT CLASSES

Why Legal Heat?

No other training company in the country has qualified more students to obtain concealed carry firearm permits. Founded by attorneys, we are the industry leader in concealed carry training with over 150,000 satisfied customers.

Who are Legal Heat's instructors?

Legal Heat instructors are highly experienced, NRA and Utah Department of Public Safety certified, in addition to being Certified by various states. Legal Heat instructors have career backgrounds in the legal field, law enforcement, military and other relevant skilled professions.

What is the Legal Heat Difference?

In addition to how to safely and effectively carry a firearm, Legal Heat courses are designed to help students abide by the nearly 20,000 different firearm laws in the United States. With such drastic penalties associated with firearm related violations, you need to take your course from someone you can trust!

Our courses encompass the laws of all 50 states and are updated frequently by a national network overseen by attorneys. They also:

- Qualify you to obtain two of the most widely-accepted permits in the country, the Utah and Arizona non-resident permits, which allow you to conceal carry in 37+ states in addition to your home-state permit.
- Provide required paperwork to obtain all permits for which you have just qualified.
